Col.

I have the honor to request that the following named men Soldiers in Capt. Piñatowa's Company of Infantry and Stationed at this Post be detailed & report to me as extra duty men to drive teams for the Public works now in course of erection under my direction near the head of the San Antonio River. viz:-

Alfonso Varela. Dimitio Varela. Francisco Gonzales.
Jesus Manche. Prudencio Lopez. Lazaro Luna.
Isidro Soto. and Valentine Navarro.

I have a train of eight waggons lying idle at present in consequence of my not being able to procure teamsters, and as it is very necessary for the advancement of the Works under my charge that I should run these waggons, I make this application, believing that the interests of the Government will be better served by using these men as teamsters on extra duty, than by keeping them in the ranks as Soldiers, for I am not able to obtain teamsters from civil life at any rate of pay.

Very respectfully,

June 13. 1864

Captain!

I have the honor to run Compl
of Special Order No 170 from District
Headquarters, prohibiting Sales of
Flour to Officers and Soldiers fami-
lies in the Confederate States.

I respectfully beg to state that owing to the exhorbitant prices
required to be paid for Breadstuffs in our
depreciated Currency. I fear that great
distress will ensue amongst this Class
of persons, besides causing much un-
easiness with Soldiers Sons & Brothers now
in service & the Service generally.

Besides the families of
Officers who have availed of the Privilege
of purchasing of the Subsistence Department
at this Post, there are now some 20 or
30 families (Soldiers) in this Town & Vicinity
some of whom are dependent solely on
their exertions & the aid rendered by the
Humane of this Community.

There is no Mill in the Vicinity
grinding Corn for Sale - Nothing but
Flour will procure the other necessaries

for Females than can the time
& can labor, there is but little employ-
ment — There are many families
without an adult Male member to pro-
vide for them. There is no Article
of food or place of Lodging or Shelter
can even the scarcity Currency. Taken
at par prices as 30% for 100" for Sugar
Molasses, 8/ for Rice for Sugar 40 for Flour
for Beef &c &c the Laboring Class
are [illegible] Poor
or Meal — This Cash has been the
Case more than once for Coal & Iron for the
Railroad & Depot
I respectfully submit the above,
hoping that if any Appropriations are made
you will use your influence (if proper) to
have the Order revoked as early
as possible.

I have the honor to state that I have been ordered before the Examining Board of the Dept of Texas for the purpose of being Examined (I suppose) in the Science of Drill.

I do not think that I would be able to meet the requirements of the Examining Board and rather undergo the Mortification of a probable rejection. I would respectfully tender my resignation as an officer in the Provisional Army of the Confederate States. I would state that I have been in the C. S. Service since May 1862. I have faithfully endeavored to discharge any duty devolving upon me with what success let my company and Regimental officers state. My only object is to serve my country, and that above all things I desire to do. If my resignation is accepted I shall only ask the request of being allowed to join whatever command I may select

I have the honor to be

Colonel

I have the honor to state, that I have learned that Lt G.W. Bennett of my Regiment, has been ordered by Lt Col Ireland, now in command of my Regt - to appear before your Board to undergo an examination touching his proficiency in the art of War. I deem it no less my duty to my Country, than an act of justice to himself, to make the following voluntary statement in relation to Lt Bennett.

I am inclined to think, from my knowledge of his acquirements & capacity that he will not be able to answer many of the questions which he may be asked - Yet his general knowledge of the drill, is greater than I had any at first supposed. But this I assume you Sir, is his only deficiency, as an Officer ready, willing & uniform in his duty, he has no superior, his very unflagging application, & his influence and energy in aiding & assisting for the good of his Country since May 1862, he has been under my command, after six months of which he had been engaged in raising the Company of which he was elected first Lieut, during this entire time his deportment has been unexceptionable, for nearly two years his Co was stationed on Padre Island, commanding Corpus Christi Pass, entirely isolated from the remainder of the command though an infantry Co they performed the duty of a Battalion of Cavalry, having scarcely ever more than thirty five men on the Roll at one time, the responsibility the arduous,

Sir

I have the honor to report that there are several applicants among the Soldiers now in Camp, to furnish substitutes, the parties brought forward are usually Mexicans, in every instance I have refused to receive them, but I enclose the certificates, & indorsements, for the action of the Major Genl Comdg. I believe there is a law prohibiting Aliens being received as substitutes. I should like to be advised in the matter

If Mexicans (Aliens) are received as substitutes, the result will be, that for every substitute received, we will lose a good & reliable Soldier. the Mexicans will desert as soon as he receives his Clothing & Pay, thus continually diminishing the Strength of the Command & if he remains will be little less than a nuisance. Therefore I hope that such substitutes will not be received.

I have the honor to be

Answer

Having been assigned to duty at this Post as A. A. A. M. I found upon entering upon the duties of the office that there was a team in that Corner, I was instructed by the Comdg Officer at this Post, to look around among the Command and find an experienced hand, and hand in his name to him, the Comdg Officer, for detail, I did so and reported Pvt. Burley Co. G. and Edward Shinespeg Co. H, one of the two to be detailed. Burley the Comdg Officer refused to detail. Whether Shinespeg was detailed or not, I do not know, I only know that he did not report to me for duty

Question by Recorder

You have heard read the charge against the accused State what you know of the truth of the same

Answer,

I was acting 1st Sergt at the time, alluded to, and heard it read that there was an order detailing accused as a teamster, but it never came in to my hands, nor did I ever order accused to report as a teamster or know of his having been so ordered to report.

Private, Jno. Williamson, Co. H, 5th Regt. V. V. A. witness on the part of the prosecution was then duly sworn,

Question by Recorder,

You have heard read the charge against accused, State what you may know of the truth of the same,

for the defense was then duly sworn,

Question by accused

Did I ask you about my being detailed to go to the post to sleep, on the evening before my arrest? & if so, state what conversation about my sleeping there passed between us.

Answer

On the evening mentioned Bonnefeld asked me if he was one of the detail to go to the fort, and I told him he was not. He said he was afraid there might be some mistake about it: but I told him that he had to go the next night and not that one. He asked the whole crowd (three persons) if he had been detailed, and was told no. Had Bonnefeld been detailed he would have gone to the fort,

Dr F. F. Haley Asst Post Surgeon, a witness for the defense was then duly sworn -

Question by accused,

State what you know about me coming to you on the morning of my arrest for medicine,

Answer,

Bonnefeld came to me before sick call, say at half past six in the morning complaining. Upon examination I found him to be suffering from acute rheumatism for which I prescribed. I considered him under my charge at the time of his arrest,

Answer,

It was between eight and nine A. M. on the 12th inst, as well as I recollect,

The evidence on both sides having been heard, the Court was cleared for deliberation and, having maturely considered the evidence adduced, finds the accused Private Wm Bonnefeld, Co. B, 5th Reg't D. V. T, as follows.

as well as from his manner, would you not have supposed him to ask your protection from any undue severity on the part of his Comdg Officer, rather than to be simply venting his malice against him. In other words; was the language language used by him, as well as manner, more disrespectful towards his Comdg Offr. than necessary to make known to you his demand for protection.

Answer,

I did understand accused as desiring my protection against a supposed wrong, I did not understand accused as displaying malice, towards his Commanding Officer. It was not necessary for accused to have used the language imputed to him in order to let his supposed grievance be known to me.

I know nothing about the 1st 2nd and 3rd charges, & the Specifications thereto. To make a complaint, as I thought of Lt French, and said as nearly as I can repeat his language. "Maj Keelan, I wish you would stop George French's malice towards me", and spoke of his having been arrested without having committed any offense, when Maj Keelan stopped him and told him that he must not speak in so disrespectful language of his superior officer, and Bonnefeld said, "I have known him ever

Captain!

Sir!

I would respectfully ask of you for a leave of absence from my company for 20 days, to enable me to remove my family from Bee County to a place of safety in Lavaca County, where they can procure the necessaries of life. I am well aware Captain of the necessity at this time of every soldier being at his post, & also the existing order prohibiting any furloughs being granted: nevertheless the suffering of my family prompts me to ask this favor of you. I have a helpless wife with children & a widowed Mother, all in indigent circumstances without the means of procuring breadstuff where they now are, or of removing to a place where it might be procured. My Brothers are all in the service, & I have no other friends where my family may are on whom I can rely in these times. These are among the reasons for my asking for a special order for my case.
